

28th September 2017

Participating at two investor conferences in early October

EUROPEAN LARGE & MIDCAP EVENT PARIS TECH INVEST MONACO

Reworld Media (ALREW), the international digital Group, will attend two large conferences bringing together companies and professional investors in early October. This will be a great opportunity for Reworld Media's management to meet French and international investors, following the Group's half-year results release.

Reworld Media is developing rapidly in the digital media market and has announced very strong results on 26th September for the first half-year 2017: a €95.2M turnover, a threefold increase in EBITDA of €3.1M, a positive net operating income of €1.4M and a €3M increase in net income to €0.9M. Following this publication, the Group will be meeting investors at the following forums:

European Large & Midcap Event Paris, 4th and 5th October 2017

Reworld Media will be at the Palais Brongniart (Paris) on Wednesday 4th and Thursday 5th October for the 17th edition of the European Large & Midcap Event where more than 140 companies and 400 investors are expected.

Tech Invest Monaco, 5th and 6th October 2017

Reworld Media will also take part in the 1st edition of Tech Invest Monaco, on Thursday 5th and Friday 6th October, alongside around thirty other European companies from the technology sector. Investors will be meeting listed companies, pre-IPO companies and young innovative start-ups. The CEO Pascal Chevalier, will be speaking on the keynote on "Hyper-growth and external growth".

About Reworld Media:

REWORLD MEDIA is an international digital group leader in its activities thanks to a network of a dozen proprietary media brands powerful within their B2C segments (Marie France, Be, Le Journal de la Maison, Maison & Travaux, Gourmand, Auto Moto, Télé Magazine...) and an international media network with over 180,000 partner sites. The group is unique in its ability to offer international advertisers a global offer combining "Media Branding" (access to all formats: digital, print, event ...) and "Media Performance" (performance campaigns). The group is present in 11 countries and has 465 employees.
